- Cultural excursions
- Medical insurance
- Flexible meal plan

Exemplary quality of education:

- Distinguished instructors and courses
- A balance of in-class work and Atlanta-based learning
- Field trips to Fortune 500 businesses, historical landmarks, museums, etc.
- Partnering with fellow Georgia State students

Strong support for students:

- Excellent advising and service for the students
- A strong network of faculty, staff, students, and community

---

**Why Atlanta?**

Home to exciting attractions & more than a dozen Fortune 500 companies!

---

**What is the Summer Program?**

Now in its sixth year, the Summer Program is a four-week global program to experience American higher education and culture. The Summer Program offers the following elective courses:

- Undergraduate Biology Research
  BIOI 4905 Theme Based Biology Laboratory
  Molecular Biotechniques from Genomics to Proteomics

- Communication in Health Care
  SNHP Communication and Cultural Diversity in Health Care System

Depending on interest, field-specific courses with lab may be offered, as well. For more information on this curriculum, please visit gsu.edu/summerinstitute.

---

**What does the Summer Program cost?**

The total cost of $3,500 includes in-state tuition and fees, housing, program fee, cultural excursions, a flexible meal plan, and medical insurance.

---

**Summer Program Application Deadline**

March 15, 2018
