OVERVIEW

Cohort Training is a customizable professional development program for groups of scholars or staff interested in additional field-based training. Groups are paired with corresponding departments at Georgia State University based on participants’ field or topic of interest. Scholars will engage with recognized faculty and staff to gain career related skills. Each cohort also has the opportunity to participate in language training and cultural immersion. The program can be tailored to fit the goals, length of stay, and cultural experience desired by each cohort.

HIGHLIGHTS

• Participate in hands on in-depth training.
• Co-create solutions to your group’s unique challenges.
• Build a learning network with others in your field.
• Deepen connections with colleagues to enhance collaboration.

ELIGIBILITY

• Participants should be master’s, PhD, or postdoc students, hold a master’s or PhD, or be employed by an institution, company, or university coming as a cohort.
• Interested in learning about the U.S. educational system while training with Georgia State University faculty.
• Meet J-1 visa requirements, including English language proficiency and proof of financial support.

PROGRAM COORDINATION & SERVICES

• Coordination of admission and visa application (English language proficiency interviews, International Student and Scholar Services application and fees, invitation letters, etc.).
• Logistical support for airport pick-up and drop-off.
• Invitations to orientation and farewell events.
• Assistance in developing program goals, roles, and responsibilities.
• Program evaluations and final program report to sponsoring institution if needed.
• Access to university resources and services including, Library, Center for Excellence in Teaching, Learning & Online Education, the Writing Studio, and language software.
• Trips to attractions including The Coca-Cola Museum, CNN, and the Georgia Aquarium.

OPTIONAL SERVICES

• Intensive English Program course(s) and weekly individual and group tutoring sessions.
• Recreation Center access.

COST & DURATION

Varies based on length of stay, number of scholars in the group, and activities that contribute to the group’s goals. Please contact the Office of International Initiatives for a tailored quote.

Please Note: Airfare, visa fees, and mandatory medical insurance are not included. Housing may be included based on program configuration.

Applying to the program does not guarantee the issuance of a visa. Issuance of a visa is managed by the U.S. Department of State.
